

# WE'RE ONLY AS GOOD UP HERE

# AS YOU ARE DOWN THERE

The ODA works hard to advocate for you at the State Capitol, but we can't do it alone!

YOU are the key to our legislative success. What you do at the local, grassroots level affects what your ODA lobby team can do for you on a statewide, grass top level.

Please volunteer today to serve as an ODA  
Action Team Leader (ATL).

Grassroots lobbying is THE MOST effective way to get legislators  
to act on your behalf!
