

2024 ODA Annual Meeting Registration Information

All persons who register for this meeting acknowledge reading and agreeing to this statement:

This function's planners claim and assume no liability for the acts of meeting suppliers, nor for the safety of any attendee, or spouse, child or guest of an attendee, while in transit to or from this event. Attendees and participants in any event, including but not limited to those which may require or feature physical activity, assume all risk and liability associated with such activity.

The presentations of the clinicians at the ODA Annual Meeting in no way imply endorsement of any product, technique, or service presented during the courses. The Oklahoma Dental Association specifically disclaims responsibility for any material presented.

SCHEDULE CHANGES

Although we don't anticipate any, the schedule of events for the Annual Meeting is subject to change, including days, times, locations, speakers, and topics. ODA will do its best to communicate changes to registrants as soon as possible.

REFUNDS and REGISTRATION EDITS

To edit your registration, please contact the ODA at (405) 848-8873. Refunds may be issued (minus a \$30 administrative fee) to those who cancel their registration in writing via email to Executive Director Lynn Means at lmeans@okda.org or via mail at the address below no later than April 3, 2024. There will be no exceptions to the refund policy.

CONTINUING EDUCATION CREDITS

Please note: ODA's Annual Meeting CE credits are not PACE or CERP certified, although they are compliant with all rules governing those programs. The Oklahoma State Board of Dentistry has pre-approved all ODA Annual Meeting courses, and courses will count toward continuing education for licensure in the State of Oklahoma, but may not be applicable toward national level fellowships or other programs.

ADDITIONAL PAID SESSIONS & EVENTS

Registration fees do not include additional paid sessions. The word FREE on the registration form indicates that course is included with registration. No members of the general public will be admitted to any session without conference credentials. Space is limited at all sessions. Spots are filled on a first come, first served basis. Sold out paid sessions will be noted on the website (okda.org/annual-meeting). For those mailing their registration: if a session for which you registered is full prior to ODA's receipt of your forms, you will be contacted and offered either a refund for that session or to replace it with another session.
